

THE LONGEST NIGHT OF WINTER

ONLY WHEN THE
SUN DISAPPEARS
WE CAN SEE OUT
INTO THE UNIVERSE

WE CAN AKNOWLEDGE
OUR OWN DARKNESS
TO SEE OURSELVES
WITH MORE CLARITY

WHAT IS LOST
TO THE NIGHT?

TO FALL AND
RISE AGAIN?

TO DIE AND
BE REBORN?

NOTHING IS
LOST FOREVER
THE SUN STILL
WILL RISE

I AM
ALONE
TO
NIGHT
WITH
THE
UNI
VERSE
WITH
THE
TAD
POLES

WE ARE ON
WAVES IN A
CYCLE

PULLED OUT OF
THE OCEAN OF
TIME'S
EXPERIENCE

FRAGMENTED
INTO BEING
INDIVIDUALS AT
PLAY

2022
